

The Waiting Room Part II "Go Get It"

Isaiah 40:27-31, Luke 15:25-31, II Peter 1:3, Exodus 14:13-15

Don't spend your whole life waiting on God to do what He has already done.
We must start walking in what we are waiting for.
God has already given us all things pertaining to life and godliness.
You already have it!
Walk in it!

Key Points:

Waiting is not passive... God charges us to be active... Faithfully moving forward by faith until what God has promised becomes your possession.

Even the things we are thinking, or waiting on we have already received. Are you waiting on something that God has already given you?

Those that wait on him, he will renew their strength, God has not forgotten you.

Our definition of patience is different from God's definition...
What we call patience, Heaven calls procrastination.

Stop waiting and start worshipping

Stop waiting and start walking(moving forward by faith)

Stop waiting and start winning!

You want some... Get some!
Our Father owns it all, whatever we need, God will provide - our God owns cattle on a thousands hills...

If you need joy... peace, whatever you need, God has already given it to you! Go Get It!

We need to focus on where to look, when you trust and depend on God he will provide all that you need.

With God, you already have all that you need.

Stop just waiting and standing still...
Start walking in what God has promised!

Your faith will activate Gods favor!

Psalms 100:4 Praise is your passport into the Gate!!

Don't Spend the rest of your life waiting on God to do something he has already done.

Start walking in what you are waiting for... What are you waiting for?
