

June 17th "the waiting room part 3"

Habakkuk 2:1

we must wait patiently on God and. Watch Gods promise produce. Do not get weary at well doing

Scripture reading:

I will take my stand at my watchpost

and station myself on the tower,

and look out to see what he will say to me,

and what I will answer concerning my complaint.

And the Lord answered me:

"Write the vision;

make it plain on tablets,

so he may run who reads it.

For still the vision awaits its appointed time;

it hastens to the end—it will not lie.

If it seems slow, wait for it;

it will surely come; it will not delay. (Habakkuk 2:1-3 ESV)

Notes: as you're walking through a waiting room in your life. It's a blessing not a problem. We cannot hear from God when there is sin in our life. Your posture and position matter. Usually you go in the area you're looking in. If God has truly made a promise to you and given you a word, stand on it. Whatever he said to you will be certain. Watch God reveal himself while you wait. You may have to go through pain and sorrow to get to the promise land. There are some places that God needs you to go through to get you where he needs you to be. Wherever you are in your flight, praise him! Don't give up in the waiting room. The reason that we can't land the plane yet (called the holding pattern), because the conditions on the ground are ready yet.

Romans 4:17 God calls to life those things that which not existed

1. When you desperately wait on God he will not disappoint.

2. even when God may seem slow to answer be patient because his promise is certain

The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance. (2 Peter 3:9 ESV)

6. expectantly

Behold, as the eyes of servants

look to the hand of their master,

as the eyes of a maidservant

to the hand of her mistress,

so our eyes look to the Lord our God,

till he has mercy upon us. (Psalm 123:2 ESV)

7. Eagerly Romans 8

The wait is not the problem. What we do in the midst of the problem is important

For I consider that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us. For the creation waits with eager longing for the revealing of the sons of God.

(Romans 8:18, 19 ESV)

Closing remarks:

If God has made the promise to you he will fulfill it and we have to wait well and faithfully!!!

God wants to see you through. The process isn't done yet you're still developing. It's in your darkest hour that God wants to do his greatest works. God is absolutely faithful!!!!!!

Even though you're looking at today, God sees your tomorrow. The waiting room is a blessed room because the waiting room is a preparation room. Ask God what he wants to teach you? Ask God do you get ready? God is in control, man is not. God's time is not like our time but he is always good.

Expect God to move!!! He's already moving.
